Heavily cribbed from last year ...

For many years I simply stood up and said that it was great being in charge of this ostensible committee, because 90 percent of the work was done by Lorraine. Now, however, that Lorraine has better things to do, Karen Doyle has become my sidekick, and we will see to it that the program for next year and all that other information will be in your mailboxes sometime in August.

Following very serious deliberation, we have decided to forgo the loose-leaf binders and revert back to the old days when we had something like this. It will contain only information relevant to the current year, i.e. program, flower show, membership list. I suggest you collect these in your blue binders. All other information can be found at the excellent Weeders website. And, of course, you'll get regular email updates from Ellyn Spragins.

So, Karen and I are looking forward to some quality time together this summer, probably late in the afternoon followed by a glass of wine!

Respectfully submitted,

Cheryl Cheston, Chair
